

LEGO®-based Therapy Workshop

For parents and professionals working with people on the autistic spectrum (e.g. teachers, classroom assistants, play therapists, social workers).

Time 9.45am to 12:30pm
Date Tuesday, 22nd October, 2019
Price £80.00
Location Tesco Training Room, 7 Gavin's Mill Road, Milngavie, G62 6NB

Research has shown that LEGO®-based Therapy can help those on the autistic spectrum learn social skills. This workshop outlines the framework introduced by Daniel LeGoff and Gina Gomez de la Cuesta. June Grindley, our trainer, explains her own experience of successfully using this technique since 2010. This workshop will be interactive and includes time to practise what you learn.

Booking Form LEGO-based Therapy Tuesday, 22nd Oct, 2019

NB: Places must be booked in advance and are subject to our Terms and Conditions which can be found at www.creatovators.com.
