

Lego®-based Therapy Sessions

Lego®-based Therapy is a fun way of helping children on the autistic spectrum learn social skills. By working in small teams with support, the children learn to take on roles, take turns, listen, talk and cooperate better. Please note these are structured sessions which help promote the children's social skills, not just a club.

Creatovators is running a course of 8 sessions for children aged 5+.

Days and Dates: Saturdays 15/2/20 – 4/4/20 inclusive

Time: 2pm to 3pm

Venue: Kilmardinny House and Arts Centre, Kilmardinny Avenue, Bearsden, G61 3NN

Cost: £20 per therapeutic session

Further details from June Grindley, 07981 656184
